

13th Annual Central Indiana Stormwater Workshop presents a Green Site Planning Workshop July 27th, 2011

Join Us at the Historic Athenaeum
in Downtown Indianapolis for a Day
Devoted to Green Stormwater Solutions!

Topics include:

- Economics of Green Infrastructure
- Stormwater Volumetric Controls
- Green Infrastructure Successes and Failures
- Soil Function & Pollution Treatment
- Redevelopment Design Workshop
- Green Product Advancement & Practice Installation

Breakout session also offering a walking tour of
downtown green infrastructure projects.

Detailed agenda available soon online at www.uwrwa.org

Evening UWRWA Reception to Follow

A reception for those participating in the workshop will begin at the close of the workshop. Please join us for fun, networking and a chance to learn more about the UWRWA!

Don't miss it!
Professional credits available.

Lunch and snacks will be provided for all participants and speakers. Don't miss this great training and networking opportunity!
